

Field Experience Travel Bursary

This up to \$300 bursary supports travel by teacher candidates related to out-of-town field experiences (student teaching within PSSD and extended practicum) and is distributed on a needs' basis within available College funding (one bursary per TC per year). Information will be provided directly to TCs at field experience and extended practicum orientations.

To apply, submit the following application to Karen Chizek (Programs Office) between **December 1-10 (321/422) or April 1-10 (322)**, with decisions made by the Field Experience Coordinator in conjunction with the Associate Dean (Undergraduate) shortly following the application deadlines. *If carpooling, please include names of other TCs on receipt.
