Extra to B.Ed.: _____

Advisor (Date): _____

EWA _____ EXWA _____ CWA _____ Okay for B.Ed. _____

***Other External Requirements:**

- If any external requirement course is part of Teaching Area 2, then the requirement will be fulfilled by courses within the Teaching Area.
- **Exception:** If Social Studies or Indigenous Studies is Teaching Area 2 then **one** of the external requirements is replaced with an external elective.

Teaching Area Information:

All students in the B.Ed. - Early/Middle Years program have two teaching areas.

1. Teaching Area 1 is either **Cree** or **French** and requires a total of 18 credit units: 6 junior (100-level) credit units and 12 (200-level or higher) credit units.
2. Teaching Area 2 options are listed below. Complete program requirements, including a list of courses that meet the teaching area requirements can be found under "College of Education" → Degree Program Routes → Language Teacher Education Program at: **programs.usask.ca**
3. Teaching Area 2 (Early/Middle Years) requires a total of 12 credit units: 6 junior (100-level) credit units and 6 senior (200-level or higher) credit units. (Some teaching areas allow 100-level courses taken after the first 6 credit units to be counted as senior courses. Please consult an academic advisor or the University Catalogue (programs.usask.ca) for details.)
4. With **Cree** or **French** as your Teaching Area 1, only 3 credit units of English are required. If English Language Arts is your Teaching Area 2 then English requirements are part of Teaching Area 2 only.
5. If **Social Science/Social Studies** is your Teaching Area 2, at least 6 credit units must contain Canadian content. See the Course and Program Catalogue (programs.usask.ca) for a list of courses that have Canadian content.
6. Students may choose **Social Sciences/Social Studies** OR **Indigenous Studies** as a Teaching Area, but cannot choose both.

Arts Education Art, Art History, Drama, <i>and/or</i> Music	English Language Arts
Indigenous Studies	Languages Chinese, Cree, French, German, Japanese, Russian, Spanish, <i>and/or</i> Ukrainian
Mathematics Mathematics and Statistics	Physical Education Kinesiology
