Extra to B.Ed.:

Advisor (Date): _____

EWA _____ EXWA _____ CWA _____ Okay for B.Ed. _____

***Other External Requirements:**

- If any external requirement course is part of Teaching Area 2, then the requirement will be fulfilled by courses within the Teaching Area.
- **Exception:** If Social Studies or Indigenous Studies is Teaching Area 2 then **one** of the external requirements is replaced with an external elective.

Teaching Area Information:

All students in the Early/Middle Years B.Ed. program have two teaching areas.

1. Teaching Area 1 is either Cree or French and requires a total of 18 credit units: 6 junior (100-level) credit units and 12 (200-level or higher) credit units.
2. Teaching Area 2 options are listed below. Complete program requirements, including a list of courses that meet the teaching area requirements can be found under “College of Education” → Degree Program Routes → Language Teacher Education Program at: programs.usask.ca
3. Teaching Area 2 (Early/Middle Years) requires a total of 12 credit units: 6 junior (100-level) credit units and 6 senior (200-level or higher) credit units.
4. If Social Science/Social Studies is your Teaching Area 2, at least 6 credit units must contain Canadian content. See the Course and Program Catalogue (programs.usask.ca) for a list of courses that have Canadian content.
5. Since Cree or French is your Teaching Area 1, Modern Languages **is not** an option for a Teaching Area 2.
6. With Cree or French is your Teaching Area 1, only 3 credit units of English are required. If English is your Teaching Area 2 then English requirements are part of Teaching Area 2 only.
7. Students may choose Social Sciences/Social Studies OR Indigenous Studies as a Teaching Area, but cannot choose both.

Arts Education Art, Art History, Drama, <i>and/or</i> Music	Mathematics Mathematic and Statistics
English Language Arts	Indigenous Studies
Science (General) Archaeology, Astronomy, Biology, Chemistry, Computer Science, Geology, Geography (physical), Health Science, Nutrition, Physics, and Plant Science.
